Carter Partnership Greeting

Hello Everyone. Max here.

Welcome to Montana's Inaugural Carter Partnership Award dinner. I wish I could be with you in person tonight at the Adams Center as we honor the top campus-community partnership in our state.

This evening is an exciting opportunity for Montana. I commend all of you with Montana's Campus Compact program for your hard work in making this evening's event possible.

It's a tribute to your hard work and dedication that Montana was selected as one of four states across the country to present the Jimmy and Rosalyn Carter Partnership Award. Congratulations on a successful evening and keep up the good work!

Members of the Montana Campus Compact are being very tight-lipped about the winner of tonight's award, even I don't know who the winner is and I'm an honorary co-host of the event!

I would however like to recognize all of the finalists and honorable mentions for this award.

Congratulations to the three finalists:

"Reaching At-Risk Seniors" in Butte.

“Harvesting Community” in Missoula.

“Making a Difference” on the Flathead.

And to the honorable mentions:

“Community Resource Center” in Billings.

“Beyond the Circle” in Great Falls.

And I commend the other nominees too. It was an exceptional group of nominees – 17 campus-community partnerships from around the state.

I know the selection committee had a tough time making this decision – there were so many outstanding groups. All of your communities are fortunate to have such dedicated, hard-working groups working to make Montana a better place to work, live and raise a family.

Congratulations to all of you. Again, I wish I could have joined you tonight. Enjoy the evening – you all deserve it.

All the best.
